Dear Sir/Madam,

I completed my gaming certification course from Anibrain School of media and design. Also, I completed four months of internship in Ceryx Digital, Pune.

On the following topics I worked during internship :

1. 2D Games
2. 3D Games
3. Multiplayer Game :- Plugins/Packages/SDK Used (Play Fab, Photon, Google Ads, Unity ads, Facebook Integration)
4. AR :- (Android And iOS)
5. VR :-(Oculus, Vuforia)
6. Simulations
7. Game Design Documentation

I have all the skills which your company looking for in this position. I really need a company like yours where I can. Explore my knowledge if I got selected it will be a great opportunity for me to work in this company. I definitely ward hard in all the ways to achieve the goals and objectives of the company and this will really. Help me to enhance my skills and knowledge.

Sincerely,
Kaustubh Joshi
